Thousands of youth
across Pakistan
received **Free IT
Education** under
Bano Qabil Program,
enabling them to
secure dignified
employment in the
digital marketplace.

Thousands of trained and dedicated volunteers conducted **rescue and relief operations** nationwide, saving lives and property during **earthquakes, floods, and other natural disasters.**

Provided **free education**, school bags, shoes, uniforms, and stationery to **millions of children**, ensuring they embark on a journey of learning and growth.

Through **Alkhidmat Islamic Microfinance**, thousands were empowered with **interest-free loans**, fostering economic stability and providing opportunities for dignified livelihoods.

The children residing in
Alkhidmat's Aghosh Homes are
advanced towards a brighter future,
benefiting from **quality education**
and **character-building** facilities.

Thousands of **deserving women** received support, including **sewing machines** for livelihood and marriage gifts through the **Asaan Nikah Project**.

Provided affordable, **quality healthcare** to thousands of families. **Mobile health units** and **medical camps** also extended support to remote and flood-affected areas.

Winter packages, including quilts, blankets, and warm clothing, were **distributed to thousands** of impoverished and homeless individuals.

Under the **Tameer-e-Watan Program**, Hundreds of homes, schools, and mosques destroyed during the 2022 floods were **rebuilt** and **restored**.

We planted **millions of trees** across the country under the **Alkhidmat Clean and Green Pakistan Movement**, striving for a climate-resilient and smog-free homeland.

Crisis and climate havoc remain looming challenges for us and humanity in the year ahead.

Together, with your collaboration, we stay vigilant to uplift more lives.

Your unwavering support continues to enable us to bring smiles to struggling humanity.
